To your employees / people involved by Him to carry out maintenance and cleaning jobs in the establishment of the first part. However, in certain cases, it is best to perform an appropriate employment contract. Now, therefore, this contract between the contractor and the main employer is performed as follows: 1. The terms define the nature of the contract and its main resources, as a warning period, etc. The people involved by the contractor to fulfill its obligations in accordance with this agreement should not be entitled to any benefit, monetary or otherwise that can be allowed to the first Party, or would have raise any in this respect or otherwise against the part of the first part due to neglect by the contractor or its employees. 13. The payment agreed to be done for the performance of the tasks assigned to the contractor is RS. ~ - "A à €" ~ à € "" A à € "" ~ "By Mother. Both the employer and the employer are required to keep the songs signed from this agreement with them. What should not form a part of the employment contract is advisable to have a complete agreement for Being elaborated. The first part through these gifts allows the contractor to execute and execute all the services in relation to the areas specified in the Annex to this Agreement. 21. It may be renewed by the Community consent of the , from such a period, as can be determined. To the disclosure clauses can be inserted in the agreement that restricts the employment of sharing relevant information, even then to be an effective employer's employer. 9. (the notice shall be served at the address mentioned in the Agreement between the main contractor and employer) 28. This effect, the contractor will use mechanical devices in the maximum possible. To ensure effective and supervision control, the contractor must assign to each person employed / involved by a certain floor and have the number of the floor indicated in a badge displayed in the people's uniform. 15. 20. The Contractor would also be obliged to comply with the terms and conditions of agreement that may be concluded by him with the authorized representatives of his workers. 4. 7. It must also give these persons that all the benefits provided for in any time for time are in force. The Contractor should show a list of rights of their employees deployed in several locations in the Department's bulletin board and any In licenses and the supplant supplied can be shown in the list of rights as well. o As involved by the contractor will be the only responsible for the meticulous conformity of the terms and conditions of the agreement and will be working under the control and supervision of the contractor. The contractor is responsible for all the injury and accident for people employed by him and damages to accessories, luminants and equipment, etc. And all other applicable laws and rules à à € € œC in relation to people involved, independently or for reasons of their work on the installations of the specified area. (An indemnification connection to this effect can be attached along the agreement between the main contractor and employer) 25. This clausula shall include all information, including salary and payments relating to They are made together with all the benefits to the employee. All the following clauses mentioned must form a part of the contract in terms of salary: Básica Compensation / SalariesMission Program Communication Progress that can be refunded, subsidies, etc.in Benefan terms: health insurance and professional responsibilitybonusesprofit sharingvacation / reimbursement of holidaycearology Productions and associations of professional reimbursement, instead of entering a separate confidentiality agreement, it is advisable to insert clait confidentiality / non-disclosure in the own employment contract. The parties shall determine by the Community Agreement the number of persons to be engaged by the contractor for the effective implementation of their obligations under this Agreement. Within fifteen days after the beginning of this agreement, the contractor must provide his own uniforms, name plaques, shoes, socks, etc. The contractor shall be costly, to take the insurance coverage in relation to his employees employed / employed or involved in connection with the provision of the abovementioned services to Part of the first part. 3. Part of the first must be freedom to satisfy them about of the statutory requirements by the Contractor. The agreement between the contractor and the main employer or format of the contractor is required to be typed on the paper seal of appropriate value, as required by the State Government. However, there are certain points that should not be part of these agreements. Such a supervisor / agent / officer of the contractor shall be available at all reasonable times à € "to ensure that any defects pointed out by or on behalf of the part of the first part is corrected immediately. In the event of any dispute relating to the interpretation or observance of this Agreement, the same is referred to an ARBITRO to be appointed by the parties mutually. 19. The Contractor undertakes at all times to implant labor and the necessary equipment to provide efficient hygienic and quality services. The Contractor is the only responsible for the acts of omission and commission by the persons committed to the chip of his obligations under this Agreement. The contractor is responsible for any violation of the appropriate arrangements as applicable and paying the penalty and management will not be responsible. You can then limit the power of the employer to end any unproductive employee in any other case. Helps keep key employees. It is typically used. Such an agreement is binding and executable in the Court of Law. When is an employment contract, is it necessary? A employment contract can be incorporated into any function. The contractor will indemnify the first part against all claims raised against the first part in relation to the services being provided by the Contractor. The specified area can be increased or decreased from time to time to the criterion of the part of the first part, after which, the Increase or decrease proportionately, as the case may be, the work force and the equipment employed on the basis of this pattern. The contractor shall provide the number of registration codes attributed by the Regional Commission of the Provision Fund and the Regional Director of State Segurers for Employees for the purposes of Deductions of Previous Funds and ESI Benefits. For this specific purpose, it is advisable to insert a clause informing about the additional tasks that can be assigned from time clause for time.comPensation must be clearly elaborated. The management also reserves the right to reduce the number of people at any time, giving seven days clear and at this event, the amount of the contract must be reduced proportionately. It should be the responsibility of the contractor to ensure that, in the plant, these people are always attained intelligently in their uniforms. It can also Discourage the worker to give 100% to work and the employer will still be forced to pay them to the maturity of this duration. This agreement will enter into force on the à € € "- à € " à € € " and will be in force for a period of one year at first instance. Whereas part of the first part requires the services of a specialized contractor; And while the second party party approached the part of the first part and offered its services for the guarantee of which has the equipment, specialization, labor and installation skill To provide high quality services. And have access to crucial information. Employees contracted by means of clearly defining their work specificities along with the duration of their detailed work of a work agreement, the most important part of any agreement is the one that contains the terms and condition Related to any agreement. The amount includes all legal obligations This non-disclosure clause restricts the employees of sharing any or strategically important information with any outside. This will help safeguard confidential information along with the customer during the work permit as well. 24. Examples of few of these clausolas are: Emerginc Period: until unless the agreement is for employed employees or freelancers, it is advisable not to mention the duration of the work in the agreement. The contractor must employ / involve supervisor (s) to coordinate, verify and effectively monitor and control the quarry and the quality of the work performed by people employed / involved by him. 27. If there is any claim against the first part which is obliged to fulfill and dispute on the reason of any statutory or dictated obligation due to the fact that) In question, working at the installations of the first part of the contractor will be responsible for reimbursing fully and offset the part of the first part and inability to make it be obliged to address the process in this account . The total workforce currently for the performance of the works described to the contractors. If the Contractor does not pay the minimum salary for anyone employed / involved by him or violates any work, industrial or other applicable laws - he shall be responsible only for the consequences, including processes, if the party, and the part of the first part will not have anything to do with it. This will eradicate ambiguity and as a result, boost the level of efficiency between the employees. It is important to list all responsibilities of the employee. Copies of such certificates and the names of the employees involved from time to time will be provided by the contractor for the part of the first part promptly. (It is important to mention all compliance with the Agreement between Contractor and Main Employer) 10. The Contractor does not appoint any subcontractor to carry out obligations under the contract.
